70th ANNUAL CONVENTION & TRADE SHOW JUNE 8-10, 2022

The TLPCA Annual Convention was held June 8th—10th, 2022 at Grand Hyatt San Antonio, Texas with 112 in attendance.

The week kicked off with the President’s welcome Reception, where **David Mouton** greeted everyone. This event is always a great time to catch up with those from across the state that many have not seen in months.

Thursday morning started with a Top Golf tournament where Dave Neff took 1st with a score of 199, followed by Francisco Franco at 169 and Mike Campbell at 156.

There is always free time throughout the week for our members and why a lot of them choose to bring their family's.

70th ANNUAL CONVENTION & TRADE SHOW

We had a sold out exhibitor showcase this year! Exhibitors displayed the latest in materials and trends for our industry.

It's not only our sponsors but our exhibitors who make convention week successful and educational for our attendees. New member **Stone Coat** was among the 20 who exhibited this year.

Our attendees were also able to enjoy breakfast and lunch with these exhibitors, thanks to **Demand Products, Southwest Lath & Plaster, Galindo & Boyd, Stone Coat, Keene/Durable Structures, and Brand Safway**, during their educational sessions on Friday that was sponsored by **RONPARCO**

The spouses program, sponsored by **Adam's Supply Dallas**, was a river boat cruise on the San Antonio Riverwalk complete with a catered lunch on board and a sightseeing guide.

The Friday night Banquet & Awards night started with a Past Presidents reception where we had six Past Presidents in attendance! Eddie McCormick welcomed everyone at the beginning of the dinner and awards night and expressed his gratitude to all who attended and sponsored this year!

There were 12 Design Award entries this year. It's always amazing to see the quality of work our contractors provide with the materials from our associate members. Entries ranged from Interior Plaster work both commercial and residential. As well as Exterior Stucco, EIFS and Stone and Scaffolding.

Galindo & Boyd received the award for the Scaffolding & Access category. **Vaden's Plastering** won with their Commercial Veneer Stone entry, while **Triangle Plastering** walked away with the Commercial Exterior EIFS category. **Diversified Plastering** won the Commercial Exterior Stucco award. **Tobin & Rooney** took the Residential Exterior Stucco or EIFS and **Southwest Lath & Plaster** was awarded the Commercial Interior Plaster award. This year's Pinnacle Award went to **Vaden's Plastering** for their Interior Plaster work on the Rick Thompson house in Fort Worth
