HORSESHOE BAY RESORT TLPCA Celebrates it's 74th Year!!

We celebrated another year with our members and industry peers during our annual convention at Horseshoe Bay Resort June 8-10, 2026.

TLPCA President, **Eric Kihl of Southwest Lath & Plaster**, welcomed everyone at the Presidents Welcome reception that first evening on beautiful lake LBJ for cocktails and appetizers.

Members were able to catch up and reconnect with each other after a year of changes, progress, challenges and success.

TLPCA and its board would like to thank all of its sponsors that made our convention and trade show a success once again. Its because of our sponsors that we are able to hold our annual event at memorable locations each year!
