## **69th ANNUAL CONVENTION & TRADE SHOW JUNE 8-10, 2021**

The TLPCA Annual Convention was held June 8th—10th, 2021 at Hyatt Lost Pines, Texas with 105 in attendance.

The week kicked off with the President’s welcome Reception, where **Joe Kerlee** greeted everyone. This event is always a great time to catch up with those from across the state that many have not seen in months.

Wednesday morning kicked off with a golf tournament where Team Adams Supply took first with a score of 59. Second place went to team MBS with a 62.

There is always free time throughout the week for our members and why a lot of them choose to bring their family's.

## 69th ANNUAL CONVENTION & TRADE SHOW

We were happy to see our associate members back with their exhibits showcasing the latest in materials and trends for our industry.

It's not only our sponsors but our exhibitors who make convention week successful and educational for our attendees. New member **FacadesXi** was among the 12 who exhibited this year.

Our attendees were also able to enjoy breakfast and lunch with these exhibitors, thanks to **EZ Wall**, **Holcim**, **Plastic Components**, **Brand SafWay**, **CEMCO**, **Southwest Lath & Plaster**, **Coronado** and **Diversified Plastering**, during their educational sessions on Thursday that was sponsored by **RONPARCO**

### EXHIBITOR'S WELCOME RECEPTION SPONSORS

**BRONZE SPONSORS**

**Exterior Supply  
Holcim**

**Plastic Components  
Vaden's Plastering  
CEMCO**

**Silver Star Plastering  
Martin Marietta**

**GOLD SPONSORS**

The Thursday night Banquet & Awards night started with a Past Presidents reception where we had seven Past Presidents in attendance! This was the first convention since the retirement of longtime Executive Assistant, Yvonne Shelton. Her presence was definitely missed. Filling in for Yvonne this year was Director Eddie McCormick's daughter Lexi McCormick who helped register attendees as well as coordinate all the event activities including the spouses program sponsored by **Adam's Supply Dallas**.

Eddie McCormick welcomed everyone at the beginning of the dinner and awards night and expressed his gratitude to be once again involved with the TLPCA!

There were 16 Design Award entries this year. It's always amazing to see the quality of work our contractors provide with the materials from our associate members. Entries ranged from Interior Plaster work both commercial and residential. As well as Exterior Stucco, EIFS and Stone and Scaffolding.

**Galindo & Boyd** walked away with three awards from the Commercial Exterior Stucco, Commercial Interior Plaster and Scaffolding & Access categories. **J&E Companies** won with their Commercial Veneer Stone entry, while **MTCS & Southwest Lath & Plaster** walked away with winners in the Commercial Exterior EIFS category. **Silver Star Plastering** took the Residential Exterior Stucco and Residential Interior Plaster awards. This year's Pinnacle Award went to **Tobin & Rooney** for their Interior Plaster work on the Museum of Fine Arts Kinder Building in Houston.

**TLPCA 2021 PINNACLE AWARD WINNER**  
**TOBIN & ROONEY**  
**KINDER MUSEUM OF FINE ARTS**  
**HOUSTON, TEXAS**

**TLPCA 2021 LIFETIME ACHEIVEMENT  
AWARD RECIPIENT  
CHARLIE MEADOR  
TEXAS STUCCO SUPPLY**

Longtime member and Past President , **Charlie Meador** was nominated by his peers for this years Lifetime Achievement award. Charlie has not missed a convention in 35 years! He has served on the board of directors numerous times as well as co-chair the Fall Fun Weekend events. George Adam said a few words about Charlie and his contribution to the TLPCA and the industry. Mr. Meador came up through the industry to eventually buying his own wet wall distributorship. Charlie accepted his award to a standing ovation and thanked the members for many years of friendship and loyalty. Congratulations Charlie Meador !!
