TEXAS LATHING & PLASTERING CONTRACTORS ASSOCIATION (TLPCA)

DRYWALL

PLASTER

STUCCO

E.I.F.S.

ACOUSTICAL

VENEER STONE

FIREPROOFING

TLPCA is an organization that exists for the promotion of quality methods and practices in the walls and ceilings industry. Since 1952, Association members have provided innovation and leadership in quality workmanship in:

Portland Cement Plaster (Stucco)
Exterior Insulation Finish System (E.I.F.S.)
One Coat Stucco
Veneer Plaster
Sprayed Fireproofing
Drywall
Acoustical Panels & Ceilings
Veneer Stone

The membership of TLPCA consists of contractors, manufacturers, distributors and other professionals who provide products and services to those in the walls and ceilings industry. The Association provides a wide range of services and resources to its members to help them operate their businesses with greater expertise and profitability.

TLPCA Benefits to Members

- **Technical Assistance**—Our affiliate organization, Texas Bureau for Lathing and Plastering has a history of working with Architects, General Contractors and City Municipalities. The Bureau is available to offer expert advice and consultation. This is very valuable should a dispute arise about an aspect of the construction process. TLPCA has a technical committee.

- **Lath & Plaster Systems Manual**—This manual contains system details and technical information for the proper installation of plaster wall systems. This resource guide is developed and maintained by the TBLP which is the technical arm of TLPCA as the go to resource manual for applicators, architects, and building inspectors.
- **Industry Promotion Program**—Education and Presentation Committee.
- **Access to ASTM C-11 Library**—Up to date specifications for all wall & ceiling assemblies.
- **Educational Seminars**—Presented by members, for members utilizing the combined resources of Contractors, Distributors, and Manufacturers.
- **Separate Regional Representation**—Regional committees in each major market to follow local conditions and challenges.
- **Governmental Affairs**—TLPCA represents our industry to the ASTM.

- **Social Events**—Additional opportunities to build relationships within the TLPCA:
 - ◇ Spring Annual Luncheon and Golf Tournament.
 - ◇ Annual Convention & Trade Show in June including vendor exhibits, training, golf/fishing, annual awards competition, banquet, awards presentations. More info at tlpca.org.
 - ◇ Summer Annual Sporting Clay Tournament.
 - ◇ Fall Fishing Tournament.
- **Membership in AWCI for Contractors**—Joint membership affords contractors membership in this National Organization.
- **Committee Structure**—To serve on and to serve members. The Committees are: Educational & Presentation, Technical, Membership, and Regional in D/FW, Houston, San Antonio and Austin.
- **Informative Web Site**—www.tlpca.org and **Quarterly Newsletter** with timely industry information.
- **Annual Design Awards**—Submit your project for consideration of “best of the best” to be judged by architects and other industry leaders. This can be a great marketing tool for future projects you are bidding.
